TERMINAL DISCLAIMER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

1. Pegre Semiconductors, LLC ("the Owner"), is the owner of all rights in the above-captioned application ("the Present Application").

2. The Owner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the Present Application, which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,853,581 ("the Prior Patent"), as the term of the Prior Patent is defined in 35 U.S.C. §154 to §156 and §173, and as the term is presently shortened by any terminal disclaimer.

02 FC:1814 130.00 DA

3. The Owner hereby agrees that any patent so granted on the Present Application shall be enforceable only for and during such period that it and the Prior Patent are commonly owned. This agreement runs with any patent granted on the Present Application and is binding upon the grantee of such patent, and the grantee's successors or assigns.

4. In making the above disclaimer, the Owner does not disclaim the terminal part of

any patent granted on the Present Application that would extend to the expiration date of the full statutory term (as defined in 35 U.S.C. §154 to §156 and §173) of the Prior Patent, as the term of the Prior Patent is presently shortened by any terminal disclaimers, in the event that the Prior Patent later:

expires for failure to pay a maintenance fee;

is held unenforceable;

is found invalid by a court of competent jurisdiction;

is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321;

has all claims canceled by a reexamination certificate;

is reissued; or

is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

5. The Owner, however, does not disclaim any extension or restoration of term relating to any patent granted on the Present Application that is effected under any applicable statute.

6. The undersigned is an attorney of record.

A Fee Authorization form is enclosed to cover the fee for this disclaimer; however, the Commissioner is authorized to charge any additional fees that may be required, or credit any overpayment, to Meyertons, Hood, Kivlin, Kowert & Goetzel, P.C. Deposit Account No. 501505\5957-80902\DMM.

Respectfully submitted,

Dean M. Munyon
